Client:

This agreement between coach \_\_\_\_\_ and the above named client will begin on \_\_\_\_\_ and will continue for as long as the client desires.

The fee for the initial meeting is \_\_\_\_\_ and the fee for the subsequent sessions will be \_\_\_\_\_ payable in advance each

The services to be provided by the coach to the client are coaching or email coaching, as designed jointly with the client. Coaching, which is not advice, therapy, or counseling, may address specific personal projects, business successes, or general conditions in the client's life or profession.

Other coaching services include value clarification, brainstorming, identifying plans of action, and examining modes of operating in life, asking clarifying questions, and making empowering requests.

The coaching agreement will continue on a month-to-month basis. The client and coach agree to provide one another with a fourteen-day notice period in the event it is desired to cancel further services. It should be noted that an average of four weeks per month is used in calculating the monthly fee.

The coach promises the client that all information provided to the coach will be kept strictly confidential.

Throughout the working relationship the coach will engage in direct and personal conversations. The client can count on the coach to be honest and straightforward in asking questions and making requests. The client understands that the power of the coaching relationship can only be granted by the client - and the client agrees to do just that: have the coaching relationship be powerful. If the client believes the coaching is not working as desired, the client will communicate and take action to return power to the coaching relationship.
